

## TP-Link Tapo C212 Foco Cámara de seguridad IP Interior 2304 x 1296 Píxeles Techo/Pared/Escritorio

**Marca :** TP-Link

**Código del producto:** TAPO C212

**Nombre del producto :** Tapo C212

TP-Link Tapo C212. Tipo: Cámara de seguridad IP, Colocación compatible: Interior, Tecnología de conectividad: Inalámbrico y alámbrico. Tipo de montaje: Techo/Pared/Escritorio, Color del producto: Blanco, Factor de forma: Foco. Ángulo de visión del objetivo, horizontal: 88.11°, Ángulo de visión del objetivo, vertical: 46.65°, Ángulo de visión de la lente, diagonal: 107.52°. Tipo de sensor: CMOS, Tamaño del sensor óptico: 25.4 / 2.8 mm (1 / 2.8"). Distancia focal fija: 3.83 mm

| Performance                    |                                 | Audio                       |                                               |
|--------------------------------|---------------------------------|-----------------------------|-----------------------------------------------|
| Type *                         | IP security camera              | Built-in microphone         | ✓                                             |
| Placement supported *          | Indoor                          | <b>Network</b>              |                                               |
| Connectivity technology *      | Wired & Wireless                | Ethernet LAN *              | ✓                                             |
| PTZ control                    | ✓                               | Ethernet interface type     | Fast Ethernet                                 |
| Virtual assistant              | Amazon Alexa & Google Assistant | Networking standards        | IEEE 802.11b, IEEE 802.11g, IEEE 802.11n      |
| Day/night mode                 | ✓                               | Supported network protocols | TCP/IP, DHCP, ICMP, DNS, NTP, HTTPS, TCP, UDP |
| Infrared (IR) cut-off filter   | ✓                               | Wi-Fi *                     | ✓                                             |
| Design                         |                                 | Wi-Fi standards             | 802.11b, 802.11g, Wi-Fi 4 (802.11n)           |
| Form factor *                  | Bulb                            | Bluetooth *                 | ✗                                             |
| Mounting type *                | Ceiling/Wall/Desk               | Live view                   | ✓                                             |
| Product colour *               | White                           | Storage                     |                                               |
| LED indicators                 | ✓                               | Built-in HDD *              | ✗                                             |
| Camera                         |                                 | Card reader integrated      | ✓                                             |
| Lens viewing angle, horizontal | 88.11°                          | Compatible memory cards     | MicroSD (TransFlash)                          |
| Lens viewing angle, vertical   | 46.65°                          | Maximum memory card size    | 512 GB                                        |
| Lens viewing angle, diagonal   | 107.52°                         | Ports & interfaces          |                                               |
| Image sensor                   |                                 | Ethernet LAN (RJ-45) ports  | 1                                             |
| Number of sensors              | 1                               | DC-in jack                  | ✓                                             |
| Optical sensor size            | 25.4 / 2.8 mm (1 / 2.8")        | Security                    |                                               |
| Sensor type *                  | CMOS                            | Security algorithms         | 128-bit AES, SSL/TLS, WPA, WPA2-PSK           |
| Lens system                    |                                 | Management features         |                                               |
| Maximum aperture number        | 2.4                             | Reset button                | ✓                                             |
| Fixed focal length             | 3.83 mm                         |                             |                                               |
| Night vision                   |                                 |                             |                                               |
| Night vision *                 | ✓                               |                             |                                               |
| Night vision distance          | 10 m                            |                             |                                               |

| Night vision                   |                    | Power                       |             |
|--------------------------------|--------------------|-----------------------------|-------------|
| LED type                       | IR                 | Power source type *         | DC          |
| Infra-red wavelength           | 850 nm             | AC input voltage            | 100 - 240 V |
| Video                          |                    | AC input frequency          | 50 - 60 Hz  |
| Maximum resolution *           | 2304 x 1296 pixels | Power consumption (typical) | 3.9 W       |
| Total megapixels *             | 3 MP               | Power consumption (max)     | 5.3 W       |
| Video formats supported        | H.264, H.265       | DC output voltage           | 9           |
| Supported graphics resolutions | 2304 x 1296        | DC output current           | 0.6 A       |
| Frame rate                     | 30 fps             | Weight & dimensions         |             |
| Audio                          |                    | Width                       | 82 mm       |
| Built-in speaker(s)            | ✓                  | Depth                       | 82 mm       |
| Audio system                   | 2-way              | Height                      | 112.6 mm    |
|                                |                    | Weight                      | 200 g       |
|                                |                    | Cable length                | 3 m         |
|                                |                    | Packaging content           |             |
|                                |                    | Number of cameras *         | 1           |
|                                |                    | Mounting kit                | ✓           |
|                                |                    | Manual                      | ✓           |
